1979	16,562	3,060	13,327	175

1/ Excludes children cared for by institutions or agencies providing temporary or special services such as schools for the blind and deaf, convalescent homes, and temporary shelters.

2/ Includes children from outside New York; consequently, the totals for New York State are greater than the sum of the figures for New York City and Rest of State.

3/ The apparent decrease in the "Other" category is due to changes in processing methodology under the CCRS System.
